NURSE CONSULTANT AGREEMENT

The following is an agreement for consulting nurse services entered into between Ambiria Homes, hereinafter called the "Facility" and __________________________, hereinafter called the "Consultant".

SCOPE OF WORK:
Consultant agrees to provide services as identified below in the Statement of Responsibilities. The Consultant agrees to advise the Facility Administrator of any and all recommendations directed toward improving the Facility’s health service, through dated, signed reports.

QUALIFICATIONS:
The Consultant’s staff nurse shall be:
1. Currently licensed as a Registered Nurse in the State of California.
2. Able, both physically and mentally, to perform the assigned duties in a safe, competent and effective manner.
3. Able to exercise professional judgment and demonstrate adequate job knowledge in accordance with professional nursing standards and current State and Federal regulations.

STATEMENT OF RESPONSIBILITIES:
The Consultant agrees to:
1. Participate with the Facility Administrator/Director and other key staff members in the formulation and implementation of policies and procedures that directly or indirectly affect the health of the clients and staff.
2. Review resident health records to advise continuity of care in regard to specific health issues of the individual.
3. Provide Health Care Plans and Restricted Health Care Plans per Title 22 requirements for facility residents and train staff in implementing those plans.
4. Provide updated status reports Quarterly and as needed.
4. Consult with staff regarding residents’ health problems.
5. Shall visit the facility on a regular basis and allot time as required to provide the above listed services. The minimum time allotted to this facility is 2 hours per month per resident. Additional hours must be agreed upon by both facility administrator and consultant.
6. Available on an on-call basis to answer questions 24 hours a day.

PERIOD OF AGREEMENT:
The agreement shall be in effect from ______________, and remain in effect until ______________. This contract can be amended with the concurrence of either party upon 30 days of notification.

REIMBURSEMENT:
The Facility shall reimburse the Consultant for:
1. On-site facility visit time.
2. Indirect follow-up and consultation time provided by consultant.
3. Reports submitted and approved.
Facility shall reimburse the Consultant ______ per hour. Consultant will provide Facility with an invoice including the summary of visit findings and service time. Consultant retains the right to adjust the reimbursement rate upon 30 days written notice to Facility.

Having read and discussed the foregoing, we the undersigned have agreed to enter into this agreement.
